

Aquatic Fitness Exercise Equipment by Colorado Time

Colorado Time is pleased to announce the new line of Water Fitness Exercise Equipment, the WaterFit Treadmill, the WaterFit Bike, and the WaterFit Trampoline. All three products are made from heavy duty polypropylene with stainless steel fasteners and accessories as needed. These are the ideal fitness machines to provide low impact water workouts. They are available in 7 colours, lightweight for easy mobility, and come assembled on pallets. Designed to work in water depths of 3.9 - 5.5 feet or 1.2 - 1.7 meters. These are low maintenance items that come with a 2 year limited warranty. Maintenance consists largely of hosing off with fresh water on removal from the pool. The Bike features adjustable seat, handle bars, and levels of resistance and the Treadmill handle folds flat for easy storage. The maximum weight rating for these products is 310 pounds. **Sold FOB Factory.**
