## Jacuzzi Wedges for Jacuzzi Ladder Anchors

The old style Jacuzzi Ladder Anchor is no longer available, but because there are so many in use the wedge, (the part that gets lost) is still available. It was the biggest, most effective wedge, and will only fit in the Jacuzzi Anchor.

Item No	Description	Price
16 16 08	Jacuzzi Ladder Anchor Wedge	\$32.50

## Crowd Control Stanchion Posts

These are 3'tall and 1.90" OD by .065" wall 304 stainless steel stanchion posts with either two or four eyebolts for rope. Anchors are standard stanchion post anchors.

FOB Factory

## Bleachers, Aquatic, Tip & Roll by National Recreation System Inc.

These are anodized aluminum bleachers for durability in pool environments, and being aluminum are light weight, and designed to be tilted backwards onto wheels and wheeled away for storage. These bleachers have 2" X 10" seat and floor planks, and floor planks can be one or two wide, depending on space. 2, & 3 row models are available, in 9', 12', 15', 21' and 24' lengths, and 4 row models come in 12' or 15' lengths. When in use the bleachers sit on non-marring rubber foot pads and for transport tip back onto non-marring wheels. The pictures below show a two row bleacher with single foot plank and a three row bleacher with double foot planks. Spec sheets available if you need to know if they will fit in your space. **Price on request.**
