

VERTICAL AND HORIZONTAL SAND FILTERS by Waterco

VERTICAL SIDE MOUNT SAND FILTER

Waterco makes a wide range of vertical and horizontal fiberglass sand filters, some of the most common are listed below. For Deep Sand Bed or Larger Diameter or Capacity Vertical or Horizontal Filters please enquire for a quotation and spec sheet. Waterco specializes in filament wound seamless one-piece fiberglass filters rated at 50psi, NSF 50 approved, and with Waterco's 10 year warranty, (5 + 5 pro rate).

Vertical Side Mount Sand Filters

Model#	dia"	bed	area	flow	sand	pipe size	Price
SM 1050	42"	18.5"	9.3	140	2270	3"MPV	\$3,101.00
SM1200	48"	22.8	12.18	183	2270	3"MPV	\$3,950.00
SM1400	56"	26.4	16.58	249	3640	3"MPV	\$4,510.00
SM1600	64"	26.4	21.66	325	4770	4"MPV	\$5,354.00

Above include Multiport Valves with a single pressure gauge on the tank (no gauge panel).

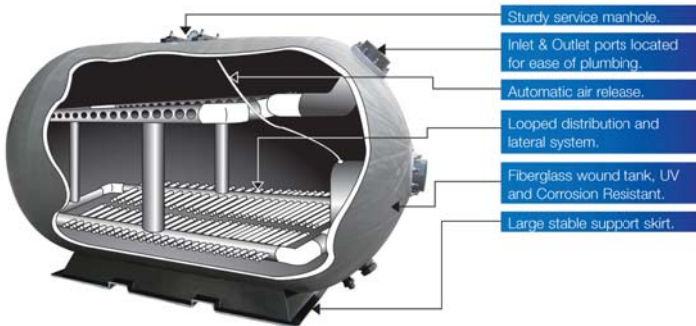

Micron Horizontal Sand Filters

Model #	dia x L	area	flow	sand	Pipe size	Price
2228075	42" x 75"	19.6	294	550/2000	4"	\$6,865.00
2228091	42" x 91"	24	360	900/1800	6"	\$8,600.00
22280106	42" x 106"	28.2	423	1050/2100	6"	\$9,340.00
22280120	42" x 120"	32.2	483	1250/2750	6"	\$10,365.00
W22345	Gauge Panel 2 X 0-60 PSI					\$465.00

Above does not include face piping or gauge panels.

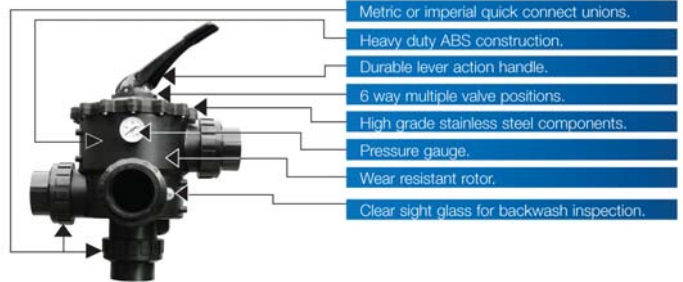

Sand bed depth on 42" diameter filters is 16"

Sand = gravel / sand in pounds

WATERCO HORIZONTAL SAND FILTER

- Sturdy service manhole.
- Inlet & Outlet ports located for ease of plumbing.
- Automatic air release.
- Looped distribution and lateral system.
- Fiberglass wound tank, UV and Corrosion Resistant.
- Large stable support skirt.

MICRON HORIZONTAL SAND FILTER

- Metric or imperial quick connect unions.
- Heavy duty ABS construction.
- Durable lever action handle.
- 6 way multiple valve positions.
- High grade stainless steel components.
- Pressure gauge.
- Wear resistant rotor.
- Clear sight glass for backwash inspection.
