

Ceramic Balls

12 11 41	10338	Ceramic Ball	\$2.55
12 11 42	10138	Ceramic Ball LE20	\$13.30

Screens (17)

12 11 43	10123	Foot Valve Screens	\$10.10
----------	-------	--------------------	---------

Suction Valve Housing

12 11 44	10492	Suction Valve Housing 1/2"	\$27.20
12 11 45	10292	Suction Valve Housing 3/8"	\$21.10
12 11 46	30383	Suction Valve Housing 1/4"	\$14.05

Liquid Heads (8)

12 11 48	10104	Liquid Head 1.8 Acrylic	\$202.20
12 11 49	10113	Liquid Head 0.9 Acrylic	\$182.40
12 11 50	27510	Liquid Head 0.9 A/F	\$243.20
12 11 51	27511	Liquid Head 1.8 A/F	\$273.60
12 11 52	37752	Head 0.9 300 series	\$98.80
12 11 59	37754	Liquid Head 1.8 300 Series	\$153.90
12 11 65	37756	Liquid Head 3.0 300 Series	\$195.70
12 11 53	10340	Head Screw	\$0.85

3 Function Valve (3FV)(2,3,4)

3 FUNCTION VALVES have a "prime" knob so you can depressurize the discharge line without opening fittings.

12 11 54	38054	3FV 3/8 300 series	\$79.80
12 11 60	36260	Knob Assembly	\$21.90
12 11 61	35716	Screw 6 - 32 x 1 1/4" ss	\$0.95
12 11 62	25628	Nut 6 - 32 ss	\$0.95

Cartridge Valve (5)

12 11 29	36307	Cartridge valve 3/8 300 series	\$32.70
----------	-------	--------------------------------	---------

Four Function Valves

Provide, anti-syphon protection, priming, pressure relief functions and provides back pressure (20 PSI) to prevent over pumping where system pressure is low.

For all models except 300 series liquid ends:

12 11 55	25700	1/2 Tubing	\$105.65
12 11 56	27048	3/8 Tubing	\$119.70
12 11 57	28046	1/4 Tubing	\$119.70

For models with liquid ends 300 series

12 11 58	38012	1/2 Tubing	\$104.50
12 11 59	38003	3/8 Tubing	\$104.50
12 11 60	38049	1/4 Tubing	\$104.50

Clamp Mount Agitators

Motor is 1/3 hp, 110/230V, TEFC. Coupling is stainless steel with 4 set screws. The shaft is stainless steel; 5/8" dia. x 48" long. The propellers are stainless steel; 4" with three blades. Clamp and motor mount is cast iron. 1750 rpm. Direct drive. Not suitable for D.E.

12 12 01	Clamp mount agitator	\$918.50
12 12 02	For tanks over 100 gallons, add 1 extra propeller to clamp mount unit (above)	\$175.35
12 12 04	Gear drive mixer Motor is 1/4 Hp T.E. 115V. Gear drive output is 350 rpm. Shaft is 5/8 dia. x 48" long. Propellor is cast 316 SS, approx. 10" in diameter. Suitable for D.E.	\$2465.00
