

FLOW METERS, GAUGES & THERMOMETERS

Signet Flow Meter

Top of the line self powered flow indicator, analog meter, rotor flow sensor, and installation clamp for schedule 80 PVC. Specify GPM range required or pipe size. Works on any pipe angle or direction of flow.

Item No	Pipe Size	Range/Scale	Price
12 06 01	2 1/2"	0-2 or 0-4x100	\$1263.00
12 06 02	3"	0-4 or 0-6x100	\$1302.00
12 06 03	4"	0-4x100 or 0-100x10	\$1354.50
12 06 04	6"	0-8x100 or 0-2x1000	\$1434.00
12 06 05	8"	0-2x1000 or 0-4x1000	\$1470.00

Replacement parts available.

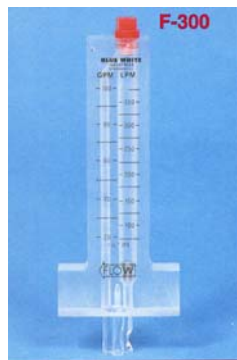

Blue-White Digital Flowmeter F-1000

A small pipe mounted digital flowmeter that is battery powered (2 x AAA batteries once a year). Saddle mounts onto horizontal pipe. Accuracy requires mounting in a straight piece of pipe 10 x pipe diameter long. Four digit display. Available for sch 40 or sch 80 pipe. Drill a 1 1/8" diameter hole and clamp on. Note: will not work well with systems with air and should be mounted in return line after filter otherwise hair and dirt will jam paddle.

Item No	Pipe Size	GPM	Price
12 06 10	1 1/2"	15.0 - 150.0	\$407.50
12 06 11	2"	30.0 - 300.0	\$407.50
12 06 12	3"	60.0 - 600.0	\$407.50
12 06 13	4"	100 - 1000	\$455.95
12 06 14	6"	250 - 2500	\$455.95
12 06 15	8"	400 - 4000	\$455.95

F-300 Flow Meter

Economical Blue and White flow meters. Easy to install clamps included. Please specify up or down flow for vertical pipe applications.
