# GABBY'S POOL DIAPERS

## Diapers built for pools

Gabby's pool pants and diapers are designed to be worn with no diaper underneath; they may be worn alone or under a bathing suit. The inner layer is 100% cotton flannelette, which remains soft against the skin, yet durable after multiple washings. The outer layer is an oxford nylon, which resists the damaging effects of chlorine. The oxford nylon allows water to sieve through while retaining solids resulting in the prevention of most accidents.

**Choose from 2 styles:** A traditional diaper style with velcro closure or a pull-on pant style.
