

CLIMBING WALLS

Kersplash™

Add adventure to your aquatic area with a poolside climbing wall. Kersplash™ is suited for indoor or outdoor use and is available in two panel styles. Kersplash™ Crystal Clear™ complements any aquatic center and offers visibility to areas behind the wall. Kersplash™ Color makes a bold visual statement with brightly colored panels. Both styles are made from UV- and chlorine-resistant materials and feature red, yellow and orange Groperz™ Hand Holds. The Kersplash™ frame is constructed of high-quality, 100% passivated stainless steel to withstand harsh pool environments. Climbing walls are made in 4 foot width - For wider walls choose 2, 3 or 4 panel widths.
