

ANTI-WAVE RACING LANES

Unique Design

Anti Wave sets the standard in lane lines with the FORERUNNER 4.75" and MAXIMUM 6" lane lines. The key is the patented disc design. The breadth of fins on each disc ensures no water gets through the lane and a curving profile of the outer rim actually forces the wave downward into the water, dissipating the wave force between lanes completely and both Forerunner and Maximum lane lines come with Anti Supertensioner Systems - no more wrenches needed to tighten and untighten. Note: Lane lines all come extra long and need to be adjusted to exact length when they arrive. Instructions are included.

Best Warranty

Anti Wave warranties its products longer than any other manufacturer. Anti Wave lane lines and supertensioners are warranted for 3 years.

Disc colours are red, blue, white, green, yellow, black, orange, teal, purple, maroon, navy blue and light grey.

Float colours are red, blue, white, green and yellow.

Supertensioner colours are red, blue, white, green, yellow and black.

(New style coloured donut floats)

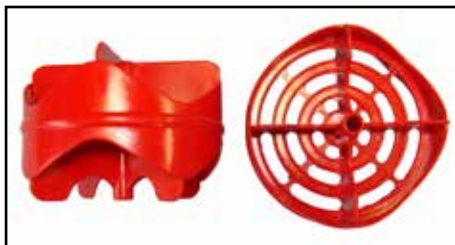

Lane Slider

Removal of lane ropes is made faster and easier with this device, by preventing the lane ropes from catching on the pool edge. Also helps prevent breakage of lane line discs. Fits both 4" & 6" lanes ropes. Dimensions are 23" long by 16" wide and 20" high, and weights only 6 pounds. Made of fiberglass with flexible PVC trim on the edges and a built in carrying handle. **FOB Factory**

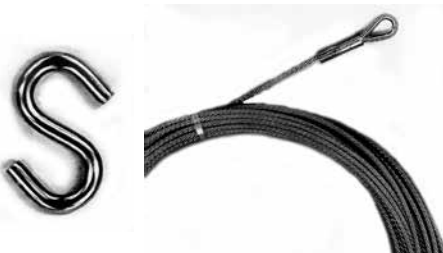

Item No	Description	Price
34.9000	Lane Slider	\$335.00

SUPER TENSIONERS

ANTI-WAVE DISCS

COMPETITOR RACING LANES

Competitor Brand Racing Lanes come two sizes, Competitor Lane Lines have 4" diameter discs and Competitor Gold Medal Racing lanes have 6" diameter discs. Each lane consists of a series of 4" or 6" plastic discs completely covered with a pattern of circular holes and donut floats strung on vinyl-coated 3/16"OD stainless steel cable. Each disc is free to rotate independently allowing the wave energy to be absorbed and dispersed along the channel. Competitor Racing Lanes are attached the pool wall using a combination stainless steel tension spring/cable lock at one end and a stainless steel/bronze ratchet reel at the other end for proper tension. Each lane line comes assembled in your choice of colours and patterns. Standard colours are White, Red, Yellow, Blue, and Green, w. special colours black, Brown, Maroon, Orange, and Purple available at an extra cost. **FOB Factory**

STORAGE REELS

Ultimate Storage Reel - by Anti-Wave

Made of top quality aluminium and powder coated in white for durability, this storage reel is over sized to accept SEVEN 25 meter lanes without a problem. The centre roller is oversized at 6", to minimize the possibility of disc damage that can occur on a 'too-tight' centre. The Ultimate is supplied with non-marking casters suitable for on deck use.

This storage reel will hold seven 4" 25 meter lane lines or four 6" 25 meter lane lines. Ultimate's dimensions are: 90" length x 48" width x 72" high. Anti Wave supports the Ultimate with a 3 year manufacturer's warranty.

FOB Factory

Item No	Description	Price
20 05 04	Ultimate Storage Reel	\$2155.65
20 05 06	Ultimate Pkg. Deal (when purchased with 5 lane lines)	\$1879.25
20 05 05	Ultimate Store Reel Cover (Cover is recommended for outdoor applications)	\$226.25

RECOMMENDED FOR POOLS USING SALT CHLORINE SYSTEMS

Stainless Steel Storage Reel - by Spectrum

Sheridan Storage Reels offer stainless steel construction for very good durability on the pool deck. It is the only storage reel recommended for pools with salt-based chlorine systems. The Sheridan is supported by a two-year manufacturer's warranty. 78" length x 61" width x 67" high, holds 6 x 25 M of 4" lane ropes or 4 x 25 M of 6" lane lines.

FOB Factory

Model No	Description	Price
55525	Sheridan Storage Reel	\$2889.05
55552	Sheridan Cover	\$541.50
58236	Replacement ss castor with brake	\$248.50

(Note: covers are recommended for outdoor applications for UV protection)

XL Capacity Lane Line Storage Reel - SR Smith

This Storage Reel is designed to hold 12 of 25 M by 4" diameter lane lines, or 7 of the 25M by 6" diameter lane lines. Antiwave Forerunners are 4.75" diameter so expect 1 less. The dimensions are 6' 2" long by 4' wide and 5' 9" high. All the materials of construction are 304 stainless steel, powder coated silver grey for added corrosion resistance. It comes with 4 castors, which swivel and lock. The two eyehooks are for attaching the first lane line to the reel. Ships partially assembled, some assembly required.

FOB Factory

Model No	Description	Price
36000	XL Capacity Storage Reel	\$3829.86

Elite-Stor-Lane-Reel - by Competitor

This storage reel holds up to 902 feet of 4" diameter lane lines or 492' of 6" diameter lane lines. It is 83"L X 60"W X 71"H and empty weighs 200 pounds. Construction is of powder coated aluminum. It has 6" SS swivel castors with brakes and a tow handle for parking and moving. The solid end wheels keep lane lines in control when winding. Shipped knocked down, some assembly required.

Classic-Stor-Lane-Reel - by Competitor

This smaller storage reel holds up to 525' of 4" diameter lane lines or 300 feet of 6" diameter lanes lines. It is 70"L X 46"W X 58"H and weighs 110 pounds. Construction is of powder coated aluminum. It has 5" swivel castors with brakes, a tow handle, and solid end discs just like its big brother. Shipped knocked down, some assembly required.

Both of the above are FOB Factory

Model No	Description	Price
200860	Elite-Stor-Lane Reel	\$3875.30
200350	Classic-Stor-Lane-Reel	\$2047.05

Parts quoted on Request

Nordesco Storage Reels

Both hold 8 X 25 meter lanes lines of 4" diameter or 4 X 25 meter lane lines of 6" diameter and are made from powder coated 304 stainless steel. Both are 82 3/4" L X 46 3/4" W X 56 3/4" H and have 4 stainless steel swivel castors with brakes. The Deluxe Version has a handle, and the Captains Wheels at each end have large polyethylene disks to keep the lane lines inside the Captains wheels. Shipped KD, some assembly required to minimize freight. **FOB Factory.**

TIMING SYSTEMS - BY COLORADO TIMING

Pricing is FOB Colorado

Colorado is a world leader in computerized timing systems. The System 6 is Colorado's sixth generation system offering state of the art performance and design flexibility.

Combine three components to create a system that suits your facility. Choose between a button or touch pad system, then add a score board and start system. Colorado's System 6 allows you to start with a basic system and add features over time. For example touch pads can be added to the button system at any time, if your start with a one line score board you may add extra lines at any time.

Note: pricing is FOB Loveland Colorado.

Otter Scoreboards

These are Indoor/Outdoor Red 5" LED scoreboard packages, made up for 6, 8, or 10 lanes with 3 digit event and heat displays. These are one piece, economical scoreboard solutions. They come with a 14' 115 VAC power cord, water-proof digits and electronics, a polycarbonate front cover, and powder coated aluminum chassis. The scoreboards come with RS-232 data jacks for wired communications with the System 6. Also included is a WA-2 wireless System 6 receiver and the Dolphin wireless receiver. Please note, you will need to buy the wireless transmitter for your timing system separately. They are cET-Lus approved, (CSA equivalent). Customization is not available, and a **\$125.00** crating fee will be added to shipping. Three mounting tabs are included on each scoreboard frame. Other mounting hardware is not included unless requested/discussed. The 6 lane scoreboard (MS-0149) is 4'-8"H X 4'W X 4.25"D and 60 pounds. The 8 lane scoreboard (MS-0150) is 5'-10"H X 4'W X 4.25"D and 70 pounds. The 10 lane scoreboard (MS-0151) is 7'H X 4'W X 4.25"D and 80 pounds. Scoreboards for Diving and Waterpolo are also available, please enquire.

Model No	Description	Price

Colorado LED Matrix Displays

Colorado makes full colour and single colour (red or amber) LED Matrix Displays. These are custom items, modular, and are made to suit the different places they are used. Indoor, outdoor, giant screens for giant multipurpose venues or smaller screens for gyms or indoor pools. The scoreboards are modular, so almost any size can be made and have different spacing (density) of the LED's so that text or graphics will always appear bright, sharp and clear. These displays are driven by computers which run the Colorado Display Link Plus software so that the displays can seamlessly display sports timing scoreboards, action video replays, advertising or Team logos continuously. Depending on your needs and budget there are entry level displays, all the way up to multipurpose display for large, constantly used facilities which cater to multiple sports and other uses. Colorado can help with design, pricing, and later installation and operator training. Due to the complexity of these products Matrix Displays are dealt with as individual custom items.

CLUB FLOATING GOAL

WATER POLO GOALS

Club Goal - FOB Factory

The Club Goal offers great performance at a good price. These goals feature a powder coated aluminium front frame, strut and rear bar with floatation panels made of heavy duty, hand-laid fibreglass. The whole unit is very light easily lifted in and out of the pool by two people. The FlipFloat Folding Goal is the same size as the Club Goal, but folds flat for ease of storage. The Splashball Goal is a junior sized version of the FlipFloat Goal. The club goal is supported by a 3 year manufacturer's warranty.

Item No	Description	Price
21 03 10	Club Floating Goal	\$2249.15 (each)
21 03 20	FlipFloat Folding Goal	\$2142.05 (each)
21 03 21	Splashball Folding Goal Junior Size (formerly Flippa)	\$1106.00(each)

FLIP FLOAT GOAL

SPLASHBALL FLOATING GOAL

SPLASHBALL FLOATING GOAL - FOLDED

Universal Wall Goal - FOB Factory

The Universal wall goal is a competition goal fabricated from white powder coated aluminium with back canvas and side netting. The same goal is used in deep or shallow water, the rear arms are adjustable horizontally and vertically to facilitate this. Anchors are supplied with goals. Goals ship knocked down, assembly required.

All goals are supplied with a setback from the pool wall to the centerline of the anchor of 30". Rear arms can be cut to any shorter length if required.

Item No	Description	Price
21 03 11	Universal Wall Goal c/w anchor	\$2693.65 (each)
21 03 16	Netting, wall goal	\$288.95
21 03 18	Back canvas, wall goal	\$288.95

WATER POLO GOAL SIZES

Water Polo Goals have a standard opening of 118" wide by 36" high, except the Splashball Floating Goal which is "junior sized", which is 78 3/4" wide by 28 1/2" high.

Odyssey Floating Water Polo Goal

Odyssey is the top of the line goal, designed for use in the Sydney 2000 Olympics. This is a professional looking, long lasting floating goal suitable for national and international level competition.

The floatation panels are fibreglass with long lasting closed cell foam floatation. The struts, frame and back bar are aluminium and completely powder coated bright white for visibility and durability. The Odyssey is supported by a 3 year manufacturer's warranty.
