

# COMPETITOR RACING LANES

## Competitor Lane Lines

Competitor Swim is a leader in racing lane technology, comprised of disks and donuts. Flow through technology allows for turbulence control along the entire length of the lane eliminated dead spots and water bounce back. Competitor uses a vinyl coated cable and take up reel/ratchet system to tighten the lines.

Lines are shipped fully assembled and meet all FINA standards. Two disk sizes available 4" or 6".

### Competitor Swim 4" racing lanes

- 4" disk diameter
- Strong construction with circular openings to dampen and break up the waves
- Disks available in white, orange, light blue, grey, black, yellow, blue, burgundy, red, tan, navy blue, maroon green, purple.
- Come assembled with take up reel tightening system

Item no	Description	1-4	5+
200 331000	25M assembled lane lines	\$740.90	\$695.00
200 332000	50M assembled lane lines	\$1386.00	\$1300.50

**FOB Factory**

### Competitor Swim Gold Medal 6" racing lanes

- 6" disk diameter
- Strong construction with circular openings to dampen and break up the waves
- Disks available in yellow, orange, red, burgundy, purple, light blue, navy blue, green, white & black
- Come assembled with take up reel tightening system

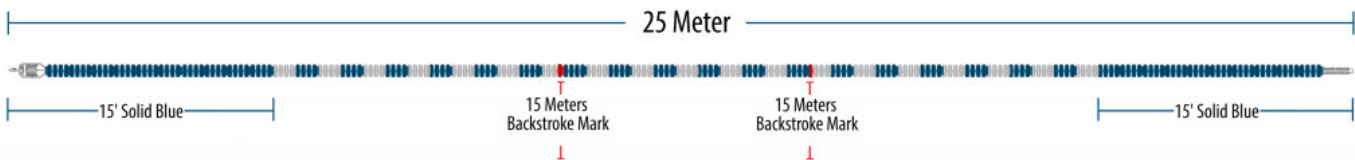

Item no	Description	1-4	5+
200373	25M assembled lane lines	\$920.00	\$862.00
200374	50M assembled lane lines	\$1736.00	\$1627.00

**FOB Factory**

## Competitor Racing Lanes

Sample 25 Meter Racing Lane

### Notes:

- 25 Meter Blue/White Racing Lane
- Solid Blue 15' Ends
- Red Backstroke Markers at 15 meters
- Total Lane length is always from the end of the take up reel to the end of the spring
- If your lane line goes beyond the touching point of the walls and span your gutter then you will need extension hooks

# ANTI-WAVE RACING LANES

Antiwave products are designed and manufactured to achieve the highest quality and performance racing lane lines. Antiwave racing lanes have been used in multiple Olympics and are a top choice for competitions across Canada. The unique disk design causes wave quelling to dampen the effects of the waves from other swimmers. Two size disks available: 4.75" Forerunner or 6" Maximum.

FORERUNNER/MAXIMUM COMPARISON

## Forerunner Lane Lines

- 4.75" Disk diameter
- Made of UV stable resin plastic which reduces fading and deterioration in outdoor applications
- All lane lines come equipped with the unique Supertensioner to tighten the lines, when attached to anchors
- Made in the US
- Available in standard or custom lengths
- Standard disk colours: Blue, white, red, green, black, yellow
- Please inquire about specialty colours or nonstandard lengths

Item no	Description	1-4	5+
20 01 03	25M assembled	\$756.75	\$709.50
20 01 04	50M assembled	\$1419.40	\$1299.00

**FOB Factory**

## Maximum Lane Lines

- 6" disks
- Made of UV stable resin plastic which reduces fading and deterioration in outdoor applications
- All lane lines come equipped with the unique Supertensioner to tighten the lines, when attached to anchors

20 01 05	25M assembled	\$950.00	\$891.00
20 01 06	50M assembled	\$1702.00	\$1596.00

**FOB Factory**

# ANTI-WAVE SUPERTENSIONER & REPLACEMENT PARTS

The Supertensioner lane line tightening device is unique to Antiwave. It does not require a wrench for tightening process. It is designed to rotate the cable rather than winding onto a drum, making it easy to adjust with a few twists. The Supertensioner dimensions are: 14" half way extended 11" fully condensed and 17" fully extended. Made of UV stable resin plastic which reduces fading and deterioration in outdoor applications. Available in 6 standard colours: blue, white, red, green, black, yellow.

## Supertensioner

Item no	Description	Price
20 02 11	Supertensioner, specify colour	\$203.00

## Stainless steel cable 25m

Item no	Description	Price
20 02 01	Stainless steel cable 25m c/w end loop	\$81.95

20 02 07 AND 20 02 14

Quick Link

## S-Hooks

Item no	Description	Price
20 02 07	2 1/2" S-hook for end loop side	\$6.95
20 02 14	S-hook fits Supertensioner side only	\$11.25
20 02 16	Quick Link	\$13.50

## Lane Slider

Removal of lane ropes is made faster and easier with this device, by preventing the lane ropes from catching on the pool edge. Also helps prevent breakage of lane line discs. Fits both 4" & 6" lanes ropes. Dimensions are 23" long by 16" wide and 20" high, and weights only 6 pounds. Made of fiberglass with flexible PVC trim on the edges and a built in carrying handle.

Item No	Description	Price
34.9000	Lane Slider	\$337.50

FOB Factory

## False Start System

The false start system ensures the quick release of the recall line, to inform the swimmer of the false start. Made from stainless steel with 1.9" OD posts. They measure 1.50m in height. This system conforms to FINA regulations. Two posts are supplied, one straining stanchion and the other with the false start mechanism. The rope and weight are sold separately to suit size of your pool.

Item No	Description	Price
30.7840	False start stanchions	\$652.00
30.SAS.010	Rope and weights for 6 lane pool	\$103.50
30.SAS.013	Rope and weights for 8 lane pool	\$108.75
30.SAS.014	Rope and weights for 10 lane pool	\$122.75

## Anti-wave Discs

Item no	Description	Price
20 02 06	Replacement 4.75" Forerunner disks (specify colour)	\$3.75
20 02 15	Replacement 6" Maximum disks (specify colour)	\$6.30
20 02 02	Replacement donut floats 2.75" (specify colour)	\$3.15

# STORAGE REELS

## Ultimate Storage Reel by Antiwave

Light weight and cost-effective storage solution for your lane lines.

- Holds up to Seven (7) 25meter 4.75" forerunner lane lines or Four (4) 25M 6" maximum lane lines
- Storage reel size: 72"High x 90" long x 48" wide
- Made from powder coated aluminum
- All four wheels independently lock and rotate
- 6" diameter spindle
- 3-year warranty
- Assembly required
- Buy with 5+ antiwave brand lane lines for additional discount!

Item No	Description	Price
20 05 04	Ultimate Storage reel	\$1655.00

**Fob Factory**

## Sheridan Storage Reel by Spectrum

This is a heavy-duty lane line storage reel, made from 304L stainless steel.

- Holds up to Six (6) 25meter 4" disk lane lines or Four (4) 25meter 6" disk lane lines
- Stands up to the harshest conditions (still needs stainless steel maintenance)
- Sheridan reel size 78"long x 61" wide x 67" high
- 2-year warranty
- Heavy-duty stainless-steel castors with brakes
- Assembly required

Item No	Description	Price
55525	Sheridan Storage Reel	\$3131.00
55552	Sheridan Cover	\$555.00
58236	Heavy duty stainless steel castors	\$265.00/ea

**Fob Factory**

RECOMMENDED FOR POOLS USING SALT CHLORINE SYSTEMS

## XL Capacity Lane Line Storage Reel SR Smith

This Storage Reel is designed to hold 12 of 25 M by 4" diameter lane lines, or 7 of the 25M by 6" diameter lane lines. Antiwave Forerunners are 4.75" diameter so expect 1 less. The dimensions are 6' 2" long by 4' wide and 5' 9" high. All the materials of construction are 304 stainless steel, powder coated silver grey for added corrosion resistance. It comes with 4 castors, which swivel and lock. The two eyehooks are for attaching the first lane line to the reel. Ships partially assembled, some assembly required.

Model No	Description	Price
36000	XL Capacity Storage Reel	\$4304.00

**FOB Factory**

Lane Line Size (in diameter)	Total	25 yard lane lines	25 meter lane lines	50 meter lane lines

## WATER POLO GOALS

### WATER POLO GOAL SIZES

**Water Polo Goals have a standard opening of 118" wide by 36" high, except the Splashball Floating Goal which is "junior sized", which is 78 ¾" wide by 28 ½" high.**

### Club Goal

The Club Goal offers great performance at a good price. These goals feature a powder coated aluminium front frame, strut and rear bar with floatation panels made of heavy duty, hand-laid fibreglass. The whole unit is very light easily lifted in and out of the pool by two people. The FlipFloat Folding Goal is the same size as the Club Goal, but folds flat for ease of storage. The Splashball Goal is a junior sized version of the FlipFloat Goal.

The club goal is supported by a 3 year manufacturer's warranty.

Model No	Description	Price
21 03 20	FlipFloat Folding Goal	\$1947.00/ea
21 03 21	Splashball Folding Goal Junior Size (formerly Flippa)	\$1233.00/ea

**FOB Factory**

**FLIPFLOAT GOAL**

**SPLASHBALL FLOATING GOAL**

**SPLASHBALL FLOATING GOAL - FOLDED**

### Universal Wall Goal

The Universal wall goal is a competition goal fabricated from white powder coated aluminum with back canvas and side netting. The same goal is used in deep or shallow water, the rear arms are adjustable horizontally and vertically to facilitate this. Anchors are supplied with goals. Goals ship knocked down, assembly required. All goals are supplied with a setback from the pool wall to the centerline of the anchor of 30".

Rear arms can be cut to any shorter length if required.

Model No	Description	Price
21 03 11	Universal Wall Goal c/w anchor	\$2465.00/ea
21 03 16	Netting, wall goal	\$288.95
21 03 18	Back canvas, wall goal	\$288.95

**FOB Factory**

### Odyssey Floating Water Polo Goal

Odyssey is the top of the line goal, designed for use in the Sydney 2000 Olympics. This is a professional looking, long lasting floating goal suitable for national and international level competition. The floatation panels are fibreglass with long lasting closed cell foam floatation. The struts, frame and back bar are aluminium and completely powder coated bright white for visibility and durability. The Odyssey is supported by a 3 year manufacturer's warranty.

Model No	Description	Price
21 03 02	Odyssey Floating Goal	\$2565.00/ea

**FOB Factory**
